

Afaq Naveed

WordPress | Shopify Developer

As an ambitious WordPress and Shopify Developer with a strong desire to learn and grow, I am actively seeking new opportunities that will allow me to further develop my skills and gain hands-on experience in web development. I have a strong interest in Artificial Intelligence and am eager to explore and develop my skills in AI alongside my web development expertise. With a passion for building responsive, functional, and user-friendly websites, I am confident in my ability to contribute effectively to any development team.

I am eager to take on new responsibilities, learn new technologies, and embrace challenges that contribute to both my professional growth and the success of an organization. My goal is to secure a full-time opportunity where I can leverage my technical skills, problem-solving abilities, time management, and creativity while continuing to expand my knowledge in Web Development and Artificial Intelligence. I am open to exploring opportunities where I can contribute, learn, and grow as a developer.
